PenderFund Capital Management Ltd.

Lead Manager:

David Barr, CFA, President & Portfolio Manager

Classes B and G of the Pender Small Cap Opportunities Fund are currently open to retail investors.

The Pender Small Cap Opportunities Fund is an opportunistic, concentrated portfolio. The Fund is focused on undervalued small and microcap companies with strong underlying economics, predominantly in Canada. The manager often seeks out special situations, and has a track record of identifying catalysts, where market-leading companies have been acquired. After deep fundamental analysis these businesses are purchased at a discount to our estimate of intrinsic value.

PORTFOLIO MANAGER(S)

DAVID BARR, CFA

Mr. Barr is the President and CEO of PenderFund. He is also the Portfolio Manager of several of Pender's funds and has been investing since 2000. Mr. Barr is an advocate of value investing and aims to determine the intrinsic value of a company and to buy shares in that company at a significant discount to that value (margin-of-safety). Mr. Barr holds a Bachelor of Science degree from the University of British Columbia and an MBA from the Schulich School of Business at York University. He earned his CFA designation in 2003 and is a past President and an active member of the CFA Society Vancouver.
