Dear Unitholder,

The Independent Review Committee (“IRC”) of the Pender Mutual Funds (the “Funds”) is pleased to provide its annual report for the period ended December 31, 2021 as required by National Instrument 81 - 107 *Independent Review Committee for Investment Funds*.

Your IRC has a mandate to review conflict of interest matters identified and referred to the IRC by PenderFund Capital Management Ltd. (the “Manager”) in respect of the Funds and to give its approval or recommendation, depending on the nature of the conflict of interest matter.

A "conflict of interest matter" is a situation where a reasonable person would consider the Manager, or an entity related to the Manager, to have an interest that may conflict with the Manager's ability to act in good faith and in the best interests of the Funds. In each instance where a conflict of interest matter is identified and referred to the IRC, the focus of the IRC is to determine if the Manager's proposed action achieves a fair and reasonable result for the Funds.

At least annually, the IRC also reviews and assesses the adequacy and effectiveness of the Manager's policies in respect of the Funds and conducts a self-assessment of the IRC's independence, compensation and effectiveness.

The IRC's duties and functions are distinct from those of the Manager's Board.

The members of the IRC, whose identities are listed in the report, bring to their duties a wide range of business experience.

Yours Very Truly,
