PORTFOLIO MANAGER

DAVID BARR, CFA

Mr. Barr is the CEO of PenderFund. He is also the Portfolio Manager of several of Pender's funds and has been investing since 2000. Mr. Barr is an advocate of value investing and aims to determine the intrinsic value of a company and to buy shares in that company at a significant discount to that value (margin-of-safety). He looks for value in unloved and unfollowed parts of the market where he can find quality at a discount. Capital preservation and downside protection are a primary concern. Mr. Barr holds a Bachelor of Science degree from the University of British Columbia and an MBA from the Schulich School of Business at York University. He earned his CFA designation in 2003 and is a past President and an active member of the CFA Society Vancouver.
