The Pender Strategic Growth and Income Fund (formerly Pender Enhanced Income Fund)* is a diversified balanced fund. It aims to generate long-term growth and income by investing in a portfolio of equities and fixed income which may vary depending on market conditions. The Fund makes allocations across Pender's investment lineup, specifically, the Fund invests in Pender's fixed income and equity funds which aim for best-in-class results. It may also allocate up to 10% of its net assets to a range of Pender's liquid alternative funds to further diversify the portfolio. Alongside these holdings the fund will have equity exposures that are typically investments in All-Cap Canadian and U.S. companies, with an emphasis on businesses that generate stable or growing cash distributions to shareholders and further diversify and complement the existing holdings within the fund.

ABOUT PENDER

Pender was founded in 2003 and is an independent, employee-owned investment firm located in Vancouver, British Columbia. Our goal is to protect and grow wealth for our investors over time. We have a talented investment team of expert analysts, security selectors and independent thinkers who actively manage our suite of differentiated investment funds, exploiting inefficient parts of the investing universe to achieve our goal.

PORTFOLIO MANAGER(S)

FELIX NARHI, CFA

Mr. Narhi is Chief Investment Officer and a Portfolio Manager at PenderFund. He began his investing career in 1999 and advocates a business-like approach to investing. Sound investing is the process of determining the value underlying a security and then buying it at a considerable discount to that value. The greatest challenge is to maintain the necessary balance between patience and discipline to buy only when prices are attractive and to sell when they are dear. Mr. Narhi holds a Bachelor of Commerce degree from the University of British Columbia. He earned his CFA designation in 2003 and is a member of CFA Society Vancouver.

GEOFF CASTLE, MBA

Mr. Castle began his investing career in 2000 and has experience in both public mutual funds and proprietary investment fund management for ultra-high net worth individuals. His background also includes more than five years of industry experience in trade credit and general corporate management. As a fixed income manager, his focus has been on seeking enhanced yield opportunities in situations where substantial margins of safety exist. Mr. Castle holds a Bachelor of Arts degree from UBC and an MBA from the Richard Ivey School of Business at the University of Western Ontario. He is a member of the CFA Institute.

Commissions, trailing commissions, management fees and expenses plus applicable taxes all may be associated with mutual fund investments. Please read the simplified prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in net asset value and assumes reinvestment of all distributions and are net of all management and administrative fees, but do not take into account sales, redemption or optional charges or income taxes payable by any security holder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. Where the performance of a particular class of a fund is displayed, other classes are available and fees and performance may differ in those other classes.
